This is a detailed historical map of Rhode Island, showing its various towns and cities. The map includes a scale bar indicating 5 statute miles and a small inset map of the state. The map is titled "RHODE ISLAND" at the top. The map shows the state's location relative to neighboring states: Massachusetts to the north, Connecticut to the east, and New York to the south. The map also shows the state's coastline and major water bodies, including Narragansett Bay and the Atlantic Ocean. The map is divided into numerous small sections, each representing a town or city. The map is oriented with North at the top.

INTRODUCTION.

NEWPORT COUNTY is certainly, genealogically considered, the Queen of the State, and we regret that the records of Newport city should have met the fate they did in 1779. The compiler is proud of this volume, and places it in the hands of the public with feelings of greater confidence than he expects to the others, for here he can produce nearer complete the record that now has become of great value.

It is useless to repeat the perplexities, difficulties and annoyances that have met the compiler at every step in his work. To produce this work none save those who have had experience in the record office can form a just idea.

It has been a source of pride with him to realize that the work has become a success, and is fully appreciated by an intelligent reading public and by those interested in the matter arranged in these pages.

CONDITION OF THE RECORDS.

Portsmouth has a few items recorded in the first book of wills, deeds, probate proceedings, etc. Beside this, there are four books devoted to this matter: the third needs binding, the others in good condition and writing good.

Newport has a transcript of the first books, and from whence our copy was made and to which it refers. Beside this are books I. and II., which brings the matter up to 1850; writing good.

Middletown has but one book, in good order.

New Shoreham has recorded the matter in 11 books, the first two of which are in that devoted to town meetings and probate, and the others in those of land evidence. The first two books need binding; others good, writing plain.

Jamestown has but one book which needs binding, the first pages of which are very much worn and torn.

Little Compton has had four books for this matter. The first was copied carefully, and the transcript compared with the original. The other books, 2 and 4, are in fine order. No. 3 has been missing from the Clerk's Office for years.

Tiverton has five square books; in first and second writing faint, others clear.

THE NAMES OF THE TOWNS.

Portsmouth was an original town, settled in 1638. Indian name, Pocasset. "At a quarter meeting of the first of ye 5th month, 1639, it was agreed to call this town Portsmouth." At the "Generall Courte" at "Nieuport," 12th of 1st month, 1640, the name of Portsmouth was confirmed. Named from a town in the south of England of that name and a celebrated seaport at that time (1638).

Newport was an original town, settled in 1639; named because it was a new port, to distinguish it from the old port at Portsmouth.

Middletown was incorporated June 16, 1743; taken from Newport. So

named because it was the middle town on the island lying between Newport and Portsmouth.

New Shoreham incorporated November 4, 1672. Admitted to the Colony as Block Island May 4, 1664. New Shoreham, so-called, "as signes of our unity and likeness to many ports of our native country."

Jamestown was incorporated November 4, 1678. Named in honor of King James II. Indian name Quononoquitt (Conanicut).

Little Compton was one of the five towns received from Massachusetts January 27, 1746-47. Named from Leocompton, Eng. Indian name Seaconnet.

Tiverton was one of the five towns received from Massachusetts January 27, 1746-47. Named from Tiverton, England. Indian name Pocasset. We think there is an error here in saying that the Indian name was Pocasset, when Portsmouth, across the river or strait, was called the same. In all probability the Indian word had very near the same sound.

ACKNOWLEDGMENTS.

We still have to thank our dear friends again for their continued confidence and kindness towards us as well as for their interest in the success of this work. Particularly do we feel grateful in view of the conduct of certain selfish (we will not write men) parties who saw in our long and dangerous illness of last winter a chance to work us a deadly injury, at the same time to honor us (in case of fatality) with a pauper's funeral. Words cannot express our contempt for this conduct, and words cannot convey our heartfelt gratitude to those dear friends who prevented such a deadly wrong being done us.

The General Assembly of the State has again been liberal, and has bestowed on the work a liberal subscription, for which we thank them, and also the Honorable Committee who favorably reported upon so desirable a matter to us and so vital to the success of this enterprise.

We also thank the public for the favor in which they received our previous volumes, and for their good wishes towards us in the future.

PLEASE OBSERVE.

I. That the marriages are given in duplicate, but that nothing beyond the book and page of the original town record, the names and date are given where the bride is placed first. That under the groom the notes are so extended as to include all the items of the record from whence it was taken. The reader will consider the bride being placed first, therefore, as merely an index for him to consult the other entry in its proper place. Should they disagree, give the groom the preference, if possible. That the births and deaths are grouped so as to better enable the reader to see at a glance the names and dates in their natural order of the members of the family.

II. That the figures at the left of the name is the book and page of the original town record, the hyphen separating the two apart.

III. That the indexes for all the towns treated in this work are placed in the fore part of the book. No one need look farther than the index to discover whether the mother he is in search of is to be found within the covers. These indexes are so constructed as to show:

- (a) The names occurring in their natural order.
- (b) The names occurring promiscuously, and
- (c) The places mentioned in the text.

IV. That each town is separate and distinct in itself, and the indexes are confined strictly to each town, but all are placed in the fore part of the work for the more handy reference of the reader. Should the reader want

his copy rebound, he can do so, and the indexes can be differently placed with no injury to the others.

V. The spelling of the given names are as they stand on the record in many instances, and when they are not far wrong. This accounts for the variety of spelling in this work.

VI. The acts incorporating the towns of Middletown, New Shoreham, Jamestown, Little Compton and Tiverton, and placed before the matter itself in that particular town.

VII. Every convenience that would aid the reader and everything that would naturally perplex him, has been carefully studied. While not claiming perfection for our work, we would say that we have spared no pains in order to make it as simple as possible, and yet be comprehensive. How well we have succeeded in this must be left, however, to the reader himself to say.

VIII. We have not changed dates here given, but we give it just as it stands on the record itself. We have observed, however, that the Scotch year is more general in this country than in any others that have come to our notice.

A REQUEST.

It would be a great favor to the compiler of this work if every reader who consults these pages would copy out and send to him at Providence, R. I., copies from his family record in the Bible, or where else the same may be recorded, or any other information he may be possessed of, in order to make these records in the future as complete as possible. It makes no difference whether the party resides in the State of Rhode Island or not. If they can connect with Rhode Island ancestry it is sufficient. While these matters may seem trifling, yet they may become of incalculable value in the future, and therefore we urgently desire that the Vital Records of Rhode Island may be made complete and that errors, wherever found, may be pointed out and corrected as soon as possible.

AN ACT INCORPORATING THE TOWN OF MIDDLETOWN.

General Assembly at Newport, June 13, 1743.

AN ACT for dividing the town of Newport, in the county of Newport, into two towns.

Be it enacted by the General Assembly of this colony, and by the authority thereof, it is enacted, that the said town of Newport be divided into two towns, and the division to begin at the head of the creek that separates the two farms of the Hon. Joseph Whipple, Esq., and Godfrey Malbone of said Newport, merchant, and so to extend upon a direct line between the two houses of Elisha Card and that in the possession of Samuel Pemberton, Esq.; and from thence on a straight line to the place where the creek on Easton's Beach runs into the sea, and all to the southward and westward of the said line to belong to the town of Newport, and all to the northward and eastward of said line to be incorporated into a town by the name of Middletown.

And be it further enacted by the authority aforesaid that John Dexter, Esq., Messrs. Benjamin Peckham, Jr., and Sam'l Easton, surveyor, be, and they are hereby appointed a committee, they, or the major part of them, to run the aforesaid line and make report to the next session of this Assembly.

(R. I. Colonial Records, Vol. V. page 66.)

In General Assembly at Newport, 4th Tuesday in August, 1743.

AN ACT for incorporating the northeast part of the town of Newport into a township and the same to be distinguished and known by the name of Middletown.

Whereas, the General Assembly, at their session held by adjournment at Newport, within and for said colony, on the 2d Monday in June, last past, did, among other things, enact that the town of Newport should be divided into two towns; and for that purpose appointed a committee to run the dividing line, and make report thereon to this present session of the Assembly, who have accordingly reported that they have done the same in the following manner:

"Beginning at the head of the creek that separates the two farms of the Hon. Joseph Whipple, Esq., and Godfrey Malbone, of said Newport, merchant, and on a south course, nineteen degrees and a half east run a straight line extending to the southwest corner of a lot of land belonging to Job Almy of said Newport, merchant; the said corner being between the houses of Elisha Card, and that in the possession of Samuel Pemberton; and from said corner, a straight line south twenty-seven degrees east, crossing the bridge that lieth over the creek on Easton's Beach, and into the sea on that course, it being the place where the said creek usually runs into the sea."

And the said report being excepted:

Be it enacted by the General Assembly of this colony, and by the authority of the same it is enacted, that all the lands to the southward and westward of the said line, as beforedescribed, belong to the town of New-

port; and that all the lands to the northward and eastward of said line be distinguished and known by the name of Middletown; and that the inhabitants of said Middletown, from time to time, shall have and enjoy the like benefits, liberties, privileges and immunities with other towns in this colony, according to charter.

And be it further enacted by the authority aforesaid, that the Justices of the Peace, living within the aforesaid town of Middletown, shall remain and continue in their aforesaid offices until the next General Election, and that the first of said Justices of the Peace grant forth his warrant to call the inhabitants of said Middletown together on Tuesday next, being the 30th day of August instant, to elect and appoint such town officers as they shall have occasion for, and as the law directs; and to appoint the time and places of their town meetings; and to choose and elect two Deputies to represent them at the next General Assembly, and so on, as by the charter is directed.

And be it further enacted by the authority aforesaid, that said town of Middletown shall send one grand and three petit jurors to the Superior Court of Judicature, Court of Assize and General Jail Delivery, and three grand and three petit jurors to every Inferior Court of Common Pleas and General Sessions of the Peace held within the county of Newport; and that the town of Newport shall hereafter send to each of the aforesaid Courts so many jurors less of what they are now compelled by law, as is ordered to be sent by the aforesaid town of Middletown.

AN ACT INCORPORATING THE TOWN OF NEW SHOREHAM.

In General Assembly at Newport, May, 1664.

Whereas, It hath pleased the most high in his mercyfull providence to incline the heart of our Soverayzne lord the King, Charles the Second, King of England, &c, to be gracioues and faverable to all New England and in especiall manner unto ourselves the Collony of Rhode Iland and Providence plantations, by his Majestyes late royall grant vnder the broad Seale, vouchsafed vnto vs, in which grant or Charter, his Majestye hath ben pleased, expresly to nominate Block Island as a part of this Collony.

And whereas in obedience to his Majestyes royall pleasuer the last Generall Assembly of this Collony took care to signifie his Majestyes pleasuer to our well beloved frends and countrymen, the inhabitants of Block Island aforesayd; and the aforesayd inhabitants of Block Island have this day by their messengers, James Sands, Thomas Terry and Joseph Kent declared vnto this Assembly ther professed subjection and obedience vnto his Majestyes sayd royal pleasuer.

It is therefore thought fitt and necessary by this Generall Assembly to settle and establish a way and order (vntill farther order be taken) of pre-searving the King's Majestyes peace, and of administering his equall justice vnto all his loyall subjects vpon the Iland aforesayd, for the honour of his Majesty and the bennifitte and comfort of his loving subjects in such a remote condition.

It is therefore thought fitt by this Generall Assembly by these presents to ordayne and appoynt that three able and discreate men of the inhabitants aforesayd wherof James Sands and Thomas Terry shall be two who are hearby impowered to call the inhabitants together and requier them in his Majestyes name to choose a third; which three men, or any two of them agreeing shall have power from time to time to call the inhabitants together vpon all emergant occasions for ther common buplicke affaires; as also to grant warrant in his Majestyes name for ther hearing and determining of all causes not exceeding the value of fortye shillings, as alsoe to grant an appeale to any parsons grieved with ther sentence, taking bond for ther prosecuting ther appeale in his Majestyes Generall Courts of Trial in this Collony, and of satisfying the sentence and charges therunto belonging and following; as also in all actiones of the value of above fortye shillings, it shall be lawfull for, and incumbant vpon anyone of the sayd selectmen, to give forth writt or writts, to such as requier the same; for the ataching the parson or parsones or goods of the parson, which writt shall be served by the Constable that shall be therto requiered and hee shall take sufficient bond or securty for the defendants appearance, and answering the plaintiffe at the Generall Court of Trials holden for this Collony, in which such actiones are to be tryed; and the sayd Constable to make returne of such bonds to the offcer that granted the writt; as alsoe the plaintiffe and defendant shall to the sayd offcer put in ther declaration and answer in manner and time as by law is ordered, and that the sayd offcer cause the sayd bonds, declaration and answer to be returned to the Generall Recorder at or before the Court to which they refer; and in all criminal causes the sayd three men or any two of them agreeing, are hearby impowered to grant forth warrants, and to cause to be brought before them any of the inhabitants there abiding or strangers amongst them, complaining or complained of, as they see cause vpon examination to bind over such parson or parsones to answer at

the Generall Court of Trialles to be held in his Majestyes name from time to time in this Collony.

And whereas it hath pleased his Majestye to declare that such other Towns as shall hereafter joyned to the townes actually in being in this Collony, shall be invested with the priviledge of sending Deputyes unto the Generall Assembly this Court declareth; That vpon the desier of the sayd inhabitants presented and willingnes to be at the charge of attending, the Court shall be willing to favour ther desiers and to accommodate them with all possible incourradgment. And whereas it is necessary that the inhabitants aforesayd be acquainted with the lawes of this Collony, wee signifie that for a small and equall consideration our Recorder, Joseph Tarrey, is to grant them a transcript of our body of lawes established amongst vs.

At present this Generall Assembly judgeth it ther duty to signifie his Majestyes gracioues pleasure vouchsafed in these words to vs verbatim (viz): That noe parson with in the sayd Collony at any time hereafter, shall be in any wayes molested, punished, disquited or called in question for any difference of opinion in matters of religion, and doe not actually disturbe the civil peace of the sayd Collony.

R. I. Col. Records Vol. II., page 55-57.

In General Assembly at Newport November 6, 1672.

Voted, that the petition of the inhabitants of Block Island to this Court for their beinge granted the liberty and priviledge of a towneship shall be first adjtated.

Voted, forasmuch as the inhabitants of Block Island, viz: Mr. James Sands, Mr. Thomas Terry, and others, expressed in their paper, have presented their request to have granted and enacted by this Assembly that they may have liberty of a towne and like libertyes (according to the Charter) with other townes in this Collony, and their reasons showed of their request of a towneship &c, and the said called Shoreham.

This Assembly have considered the said petition, and weighed their reasons and senceably see a grant necessity of the preservation of his Majestyes peace more fully than as yett is provided for on the said Block Island, with more conveniency and ease to the said inhabitants, they livinge remote and being so farr in the sea, cannot without great danger and charge accomplish their peace and safety but as aforesaid; and alsoe consideringe their numbers and quality as thought fitt by this Assembly, for such betrusted and fitt to injoy such liberty.

Therefore bee it enacted and by this Assembly is enacted, that the said Mr. James Sands, Mr. Thomas Terry, and the rest of the freemen on record expressed in their said paper read in this Assembly, shall have, and hereby have towneship authority and liberties as followeth for the preservation of his Majesties peace. The said freemen of this, his Majesties Collony (inhabitants of the said Block Island), shall upon the reception of this act (with all convenient speed), assemble them selves together in some convenient place on the said Island, and then and there shall choose two of the said free men able and well qualified for the preservation of his Majesties peace; the said two persons to be elected by the major part of such freemen as shall assemble at the said time and place. And beinge elected (as afore said), the said two persons names shall be returned to the Governor and Deputy Governor, or either of them (in the absence of the other), who shall engage the said two persons elected upon their or either of their appearance at Newport, or to be required by writt there to appeare, if they appeare not without writt, whose engagement shall be accordinge to the tenure of the engagement of other officers consideringe their offices.

And that the said elected and engadged persons shall be called Wardens; the first that shall be elected shall be called head Warden, and the second

elected Deputy Warden. Butt for all future Wardens so elected shall have power as followeth, viz: when a new choyce is made of another head Warden, immediately he shall be engaged by the Deputy Warden, and a new Deputy Warden being chosen, shall be engaged by the head Warden last chosen by the then election. Soe being elected and engaged shall be impowered as followeth, viz: shall have authority or either of them shall have authority to send fort writts in his Majesties name, under their hands to require the said freemen to meet upon all just occasions, and elect two for Deputys to sitt in the law makeinge Assembly of this his Majesties Collony when by writt required thereto, and Deputys to sitt in such Assemblies as are mentioned in the pattent, and send them thereto; though by reason of winde weather and distance by sea, writts should fayle to be sent to them to require them. And by writt to require the said freemen to meete four times in the yeare for their said towne affaires, for the makeinge of such order or bye lawes as may be needfull for theire better management of theire affaires amonge them selves accordinge to their constitution, not opugninge the lawes of his Majesties realme of England, his patent, nor the laws of this Collony agreeable thereto; and that the said Wardens, or one of them require the said freemen to meete for the first of the said four meetings as soone as convenient, after they are engaged to theire said office, from which said meetinge shall begin the said yeare.

And at the said first meetinge of the said freemen of the said Island, the majir part of them being met, shall elect a Clerke, and shall provide a book or books as need shall require; and that the said Wardens or either of them in the absence of the other, shall engage the said Clerke to the faith full performance of his office accordinge to the tenure thereof; and that the said Clerke record in a booke or books of the acts of the freemen in their towne affaires as to lands and boundes thereof, all publications of marriages to be returned to him by the publishers; all marriages, all births, all burials, all actions, to bee there commenced and the progress thereof.

And to make such returns to the Assembly or Court of Tryalls of this Collony, as need shall require, and the law injoyne such Clerkes to performe, all and every other thinge pertaing to the office of the 'Towne Clerke of this Collony though not herein exprest.

And that the said freemen (the major part of them met), at the said first Court quarter meetinge shall elect a Sergeant for the said freemen to meetings by the aforesaid writts, and to searve other writts; who shall bee engaged to the faithfull performance of his office, accordinge to the tenure thereof, by the said Wardens, or one of them.

And that the aforesaid freemen (the major part of them met), at the said first quarter meetinge, shall elect a Constable, or Constables if need require; two or more, for the apprehension of the breakers of the peace wanderinge persons fellows; and to doe any other thinge appertaininge to the office of a Constable.

And that the said freemen, at the said meetinge shall choose three wise, honest men, who shall bee added to the two Wardens for the Towne Councille, to have like authority as other Towne Councillis have.

Butt forasmuch as it is just that all men, as well as meane men should be saved harmless in their estates, as rich men in their great estates, and that the charge to obtain a title should not be a great charge, nor they forced to obtain and undertake soe great trouble and charge as to come to the Generall Court of Tryalls, which by reason of the distance by sea many times cannot come because of danger and hinderances divers ways.

Therefore be it enacted and it is by this Assembly enacted, that the said Wardens shall have authority when need shall require, on the said Island, and in the said towne (followinge to be named), to hold pleas of action of account, debt detinue, trespass and of the case to the vallue of five pounds sterling, of New England money, or to the vallue of five pounds, currant pay

of this country, with or to the merchants, and not above. And to proceed in the said actions accordinge to the lawes of his Majesties realme of England (soe farr as the constitution of the place will admitt), and accordinge to due forme of lawe in this Collony agreeable thereto, and the said places to be held on either of said four quarter meetinges (before mentioned) and on the adjournments of either of them or at any other time of necessity by reason of dangers and strainers that may happen there to be, the times appointed by the Wardens. And that the Actions shall be tryed by twelve honest impartiall men there, not of kindred to the plaintiff or defendant, nor interested in that case they that are Jurriors, and least suspected, and if any jurrior be challenged by plaintiff or defendant, for the said reasons he shall have his said challenges in favour thereon. And all the inhabitants shall answer by summons, and the fees of each juryman shall be six pence in the said cases; nevertheless, appeals to be allowed as the law is. And each writt six pence; and the serveringe of it six pence. And for searvinge the execution twelve pence upon the pound for that delivered to the party by execution, to be cost of Court.

Alsoe further be it provided, that all greater sums shall be tryed in the Generall Court of Tryalls, and bound thereto by the defendants bond to the Sergeant there, who is to be by the law of this Collony the Generall Sergeants Deputy.

Furthermore be it provided for his Majesties peace, that the said Wardens shall have the conservation thereof on the said Iland and through out the said towne; and shall have authority as Justices of the Peace to require before them all and every person breakinge the same, or suspected of any crime, for examination; and upon witness of the guelt thereof, to imprison or binde over the party or partys to the Generall Court of Tryalls, as law and justice requires, and returne their proceedings to the said Court. And further, that the said Wardens, or either of them shall have authority for publication of persons intentions declared to them of marriage (desireinge it to be published); and that all marriages be solemnized before the said Wardens or either of them, and to make returne to the Towne Clerke aforesaid for memoriall of their lawfull marriages, as many causes as may require.

And further more be it enacted, that the said towne on Block Island at the request and for the reasons by the inhabitants showed, and as signs of our unity and likeness to many parts of our native country, the said Block Island shall be called New Shoreham, otherwise Block Island.

Furthermore provided, that such persons as shall be for the future nominated by the said towne of Shoreham to the Assembly, and desired to be made freemen, such said men being made free by the Assembly, shall have and enjoy all liberties in and of elections, as the present freemen of the said towne have by this present act any thing in this present act (seermeinge) to the contrary notwithstandinge.

And it is ordered that this act shall be subscribed under the hand of the Clerke of this Assembly, with the seale of the Collony; for which the Clerke of the Assembly of the said New Shoreham, otherwise Block Island, shall have twenty shillings silver pay.

AN ACT INCORPORATING THE FIVE TOWNS SECURED FROM MASSACHUSETTS.

In General Assembly at Providence, January 27, 1746-7.

An Act for Incorporating the Inhabitants of the Lands Lately Taken Into This Colony by the Settlement of the Eastern Boundary Into Five Townships.

Whereas, His Majesty has been graciously pleased by his royal determination to settle the eastern boundaries of this Colony, whereby several large tracts of land and a great number of inhabitants are taken under Jurisdiction of this Government, and it being absolutely necessary for the well governing of the said people that the said tracts of land, with the inhabitants thereon, be set off and incorporated into Townships, and the same being conveniently situated for the making of five Townships;

Be it, therefore, enacted by the General Assembly, and by the authority of the same it is enacted, that the aforesaid tracts of land, with the inhabitants thereon be set off and incorporated into five Towns in the following manner, viz.:

All that part which heretofore has been called Bristol, with the inhabitants thereon, be set off and incorporated into a Township by the name of Bristol; and that part which was heretofore (known) as part of Tiverton, with a part of Dartmouth and Freetown, adjoining thereto, be incorporated into a Township by the name of Tiverton; and that part which has heretofore been a part of Little Compton and a part of Dartmouth thereto adjoining, be incorporated into a Township by the name of Little Compton; and that the line which formerly divided Tiverton from Little Compton be extended eastly to the Colony line, and the whole to be the dividing lines between said Towns; and that part which has heretofore been a part of Swansey and Barrington, with a small part of Rehoboth, thereto adjoining, with the inhabitants thereon, be incorporated into a Township by the name of Warren; and that part which has been commonly called and known by the name of the Gore of Land, with the inhabitants thereon, be incorporated into a Township by the name of Cumberland; and that the inhabitants of each respective Town, for the time being, shall have and enjoy equal liberties and privileges with the other Towns of this Colony, agreeably to our Charter.

And be it further enacted by the authority aforesaid, that a special Justice of the Peace be chosen and appointed in each of the above-mentioned Towns to keep His Majesty's peace and to call the inhabitants of the respective Towns together by a warrant, to meet on the second Tuesday in February next, to choose such Town Officers as are directed by the laws of this Colony and also deputies to represent said Towns at the adjournment of this Assembly.

And that the said Justices be commissioned by His Honor the Governor, and to continue until the next session of this Assembly; and that the General Treasurer furnish each of the above-mentioned Towns with a Colony law book; and that the Secretary send to each of the said Towns a copy of the late act of Assembly, directing the manner of making freemen and regulating the method of voting; and that said law books and copies of said act be delivered to the above-mentioned Justices as soon as conveniently may be.

And be it further enacted by the authority aforesaid, that every man in-

habiting within the above-mentioned Towns of Bristol, Tiverton, Little Compton, Warren and Cumberland, who is possessed of land or real estate sufficient by the laws of this Colony to qualify him for a freeman, and the eldest sons of all such freeholders be, and they are hereby declared freemen of the respective Towns, and also of this Colony; and to govern themselves in voting agreeably to the laws of this Colony.

And be it further enacted by the authority aforesaid, that the following persons be and they are hereby chosen and appointed special Justices of the Peace for the above-mentioned Towns, viz.:

Jonathan Peck, Esq., for the Town of Bristol; John Manchester, Esq., for the Town of Tiverton; William Richmond, Esq., for the Town of Little Compton; Matthew Allen, Esq., for the Town of Warren; and John Bartlett, Esq., for the Town of Cumberland.

AN ACT INCORPORATING THE FIVE TOWNS SECURED FROM MASSACHUSETTS.

In General Assembly at Providence, January 27, 1746-7.

An Act for Incorporating the Inhabitants of the Lands Lately Taken Into This Colony by the Settlement of the Eastern Boundary Into Five Townships.

Whereas, His Majesty has been graciously pleased by his royal determination to settle the eastern boundaries of this Colony, whereby several large tracts of land and a great number of inhabitants are taken under Jurisdiction of this Government, and it being absolutely necessary for the well governing of the said people that the said tracts of land, with the inhabitants thereon, be set off and incorporated into Townships, and the same being conveniently situated for the making of five Townships;

Be it, therefore, enacted by the General Assembly, and by the authority of the same it is enacted, that the aforesaid tracts of land, with the inhabitants thereon be set off and incorporated into five Towns in the following manner, viz.:

All that part which heretofore has been called Bristol, with the inhabitants thereon, be set off and incorporated into a Township by the name of Bristol; and that part which was heretofore (known) as part of Tiverton, with a part of Dartmouth and Freetown, adjoining thereto, be incorporated into a Township by the name of Tiverton; and that part which has heretofore been a part of Little Compton and a part of Dartmouth thereto adjoining, be incorporated into a Township by the name of Little Compton; and that the line which formerly divided Tiverton from Little Compton be extended eastly to the Colony line, and the whole to be the dividing lines between said Towns; and that part which has heretofore been a part of Swansea and Barrington, with a small part of Rehoboth, thereto adjoining, with the inhabitants thereon, be incorporated into a Township by the name of Warren; and that part which has been commonly called and known by the name of the Gore of Land, with the inhabitants thereon, be incorporated into a Township by the name of Cumberland; and that the inhabitants of each respective Town, for the time being, shall have and enjoy equal liberties and privileges with the other Towns of this Colony, agreeably to our Charter.

And be it further enacted by the authority aforesaid, that a special Justice of the Peace be chosen and appointed in each of the above-mentioned Towns to keep His Majesty's peace and to call the inhabitants of the respective Towns together by a warrant, to meet on the second Tuesday in February next, to choose such Town Officers as are directed by the laws of this Colony and also deputies to represent said Towns at the adjournment of this Assembly.

And that the said Justices be commissioned by His Honor the Governor, and to continue until the next session of this Assembly; and that the General Treasurer furnish each of the above-mentioned Towns with a Colony law book; and that the Secretary send to each of the said Towns a copy of the late act of Assembly, directing the manner of making freemen and regulating the method of voting; and that said law books and copies of said act be delivered to the above-mentioned Justices as soon as conveniently may be.

And be it further enacted by the authority aforesaid, that every man in-

habiting within the above-mentioned Towns of Bristol, Tiverton, Little Compton, Warren and Cumberland, who is possessed of land or real estate sufficient by the laws of this Colony to qualify him for a freeman, and the eldest sons of all such freeholders be, and they are hereby declared freemen of the respective Towns, and also of this Colony; and to govern themselves in voting agreeably to the laws of this Colony.

And be it further enacted by the authority aforesaid, that the following persons be and they are hereby chosen and appointed special Justices of the Peace for the above-mentioned Towns, viz.:

Jonathan Peck, Esq., for the Town of Bristol; John Manchester, Esq., for the Town of Tiverton; William Richmond, Esq., for the Town of Little Compton; Matthew Allen, Esq., for the Town of Warren; and John Bartlett, Esq., for the Town of Cumberland.
